

Gear List for single-day Volunteer Projects

Clothing:

- Long pants (for protection)
- Hiking boots (same)
- Gloves--We have some to lend, but if you have your own, broken in...
- Long sleeved shirt (light-weight, light colored) for sun protection, bug protection, etc.)
- Raingear (waterproof and breathable)
- Appropriate layers for weather conditions

Day-pack:

- Water containers—two liters capacity minimum
- Water purification (pills or filter); the trip leader usually has one, so this is not required.
- Sunscreen
- Sunglasses
- Hat for sun
- Lunch and snacks for yourself
- Bear Repellent (if you have it and want to bring it)
- Toilet kit: 1 pack 1-2 lightweight bags inside a Zip-lock along with a small supply of TP in order to pack out my toilet paper.

Tools:

We have gloves to lend out, but bring yours if you have some. Sunglasses or eyeglasses work fine as eye protections. If hardhats are needed we will provide them. All other tools are supplied by the Forest Service or ABWF—pulaskis, cross-cut saws, shovels, loppers, etc.
